La call-girl de Sarkozy crache sur les Français.

> *Former supermodel Carla Bruni may have maintained a dignified silence about her relationship with the French president.*
>
> *But in a startlingly frank interview conducted not long before she met Nicolas Sarkozy, Carla revealed her true feelings about the “miserable” and “negative” French people and the “unbearably polluted” Paris.*
>
> *She even likened the 52-year-old President – who some reports claim she has secretly married – to the pop star Prince and Napoleon Bonaparte, saying they were short men with “attitude”.*
