D’aprés la presse anglaise, l’UE preparerait le recrutement de 50 millions d’africains pour venir travailler en Europe.

> *AN EU job centre for migrants □□seeking work in Europe has been opened secretly in the West □□African state of Cape Verde.*
> *The project is the second phase of a Brussels tax-funded plan to invite more than 50 million African workers into Britain and other members of the 27-nation EU bloc.*
> *The advice centre, based in the island nation’s poverty-stricken capital Praia, follows a similar job centre opened in the desert □□African state of Mali in October.*
