> *This is the moment a plucky grandmother thwarted a robbery at a convenience store in the U.S.*
> *CCTV pictures show the unnamed 75-year-old picking up a price scanner and fighting off a thief twice her size as he attempts to steal cash from the 7-11 store in Boston.*
> *The pensioner takes matters into her own hands after the baseball cap-wearing thug walks behind the counter at the store and begins wrestling with the manager.*
