L’EDL proteste sur le toit de la FIFA

09/11/2011 à 18h45
FOOTBALL’S WORLD GOVERNING body were this afternoon targeted by protesters angry at the decision to stop England’s footballers wearing poppies on their shirts.

Two members of the English Defence League are currently on the roof of FIFA HQ in Zurich.

They displayed a banner depicting two poppies which read: “English defence League. How dare FIFA disrespect our war dead and wounded. Support out troops.”
