“La famille de Kamala Harris possédait assez d’esclaves pour commencer tout un championnat de football. Laissez-la payer vos satanées réparations.”

Call #KamalaHarris, honey. Her family owned enough slaves to start an entire soccer league. Let her pay your damn reparations. pic.twitter.com/Td6zwTeJvh

Kamala Harris is descended from one of Jamaica’s largest slaveowners, Hamilton Brown.

Her lineage is closer to the keepers of the slave plantation than it is to Harriet Tubman or Frederick Douglass. pic.twitter.com/jy8xBw65yl

If the Democrats want persons descended from slaves to receive reparations from those descended from slaveowners, how much should Kamala Harris have to pay?
