Elon Musk demande à l'ADL (l'Anti Defamation League, équivalent de la Licra aux Etats-Unis) de cesser d'encourager les racismes anti-blanc et anti-asiatique

16/11/2023 à 10h22

The ADL unjustly attacks the majority of the West, despite the majority of the West supporting the Jewish people and Israel.

This is because they cannot, by their own tenets, criticize the minority groups who are their primary threat.

It is not right and needs to stop.

And, at the risk of being repetitive, I am deeply offended by ADL's messaging and any other groups who push de facto anti-white racism or anti-Asian racism or racism of any kind.

I'm sick of it. Stop now.
